Grand Prize Giveaway Enhanced!!!

“The Grand Prize will change and become larger each time as registration numbers grow...”

They said it couldn't be done!

When we told everyone that, once we reach 1000 registrations, we will give away a 2008 Saturn Sky convertible sports car, people said it couldn't be done! We believe it can!

To enhance the Grand Prize Giveaway, we will now give away a large prize no matter how many registrations there are, starting with 250 registrations.

The prizes will change, depending on the number of people registered. As more people register, the prizes will change to a larger prize!

We have already passed 250 registrations. **At 250 registrations, we are offering a diamond eternity bracelet in 14 carat gold, with a 4 total carat weight!**

That's a very nice grand prize...
