

Great Rotary Projects and Fundraisers to be Highlighted at Conference

There will be two separate conference segments highlighting great Rotary Projects and Fundraisers from around the District!

Your Club may be one of the select few to present your project or fundraiser-but first you must apply to make a presentation. Make your submissions to PDG George Banning as soon as possible to be considered.

Your Assistant Governors are working with George to select the best of the best to showcase during the conference.

Need help? Contact your Assistant Governor, or contact George Banning at: wenlake@aol.com

“We’re looking for the best of the best! Put the finishing touches on your displays now...”
